Ami Rana | Front-end Developer

Harrow, London, United Kingdom (Ready to relocate)

Email Address: ranaami1223@gmail.com   **Mobile No.**: Available upon request

About Me

Experienced Front-End Developer with 3 years of expertise in creating responsive web interfaces using HTML, CSS, JavaScript, and WordPress coupled with proficiency in Bootstrap, SCSS, and Tailwind CSS. Recent master's graduate in User Experience Design, dedicated to merging technical finesse with design principles to create impactful digital experiences. My aim is to contribute my skills and expertise to craft user-centric interfaces that leave a lasting impact.
